**PATIENT INSTRUCTIONS FOR SEMEN SPECIMEN COLLECTION**

- ❖ **Semen Analysis is by appointment only.**  
Please call the Dallas office to schedule your appointment.
- ❖ For semen analysis, an abstinence period of at least 48 hours but not more than 5 days is advised.
- ❖ **Specimens may be collected either at home or at our center. Specimens collected at home need to be brought to the office within 45 minutes of collection. Please keep the specimen near body temperature during transport. Alternatively, we have secluded collection rooms for men who prefer to collect on-site, or for those that reside more than 45 minutes from our office.**
- ❖ Collect the specimen by masturbation into a sterile specimen container provided by your physician's office.
- ❖ Do not use lubricants.
- ❖ Test results will be sent to the requesting physician and will not be given to patients directly from Dallas IVF.
