**PATIENT INSTRUCTIONS FOR SPERM CRYOPRESERVATION**

- ❖ Please bring a copy of this requisition form with you to your appointment.
- ❖ Sperm cryopreservation is by appointment only. Please call Dallas IVF to schedule your appointment.
- ❖ An abstinence period of at least 48 hours but not more than 5 days is advised.
- ❖ Collect the specimen by masturbation into a sterile specimen container provided by your physician's office or collect on site at Dallas IVF.
- ❖ Do not use lubricants.
- ❖ Specimens may be collected either at home or at our center. Specimens collected at home need to be brought to the office within 45 minutes of collection. Please keep the specimen near body temperature during transport. Alternatively, we have secluded collection rooms for men who prefer to collect on-site, or for those that reside more than 45 minutes from our offices.
- ❖ Sperm cryopreservation results will be released to the patient within 2-3 business days.
- ❖ Fees cover first 12 months of storage. Annual storage fees apply after 12 months.
