## PATIENT INSTRUCTIONS FOR SEMEN SPECIMEN COLLECTION

- ❖ Semen Analysis is by appointment only. Please call the center where you would like your study to be performed.
- ❖ For semen analysis, an abstinence period of at least 48 hours but not more than 5 days is advised.
- ❖ Specimens may be collected either at home or at our centers. Specimens collected at home need to be brought to the office within 45 minutes of collection. Please keep the specimen near body temperature during transport. Alternatively, we have secluded collection rooms for men who prefer to collect on-site, or for those that reside more than 45 minutes from our offices.
- ❖ Collect the specimen by masturbation into a sterile specimen container provided by your physician's office.
- ❖ Do not use lubricants.
- ❖ Test results will be sent to the requesting physician and will not be given to patients directly from Dallas IVF.
